

# Chalet DALLAS

A chalet is a Swiss cottage or house.  
It is pronounced "shal-lay"

Artist Piero Golia created a special place where people can meet, share new ideas and be surprised.

Piero's friend Edwin Chan is an architect who designed the space.

His friends Pierre Huyghe, Mark Grotjahn, Jeff Wall and Christopher Williams share their art in the space.

Meet  
Piero  
Golia

He  
lives &  
works in  
Los Angeles,  
California.

He said,  
"The Chalet...  
it's a tool  
to create  
community."

Born 1974  
in Naples,  
Italy.

At home get your friends together  
for a pizza, tea or birthday party.  
Tell everyone to share a talent.

Nasher Sculpture Center

- 1 Architect Edwin Chan designed the space which has oak beams carefully, stacked & balanced.
  - 2 The aquarium was created by French artist Pierre Huyghe.
  - 3 Painting by Mark Grotjahn.
- during select evenings surprise events take place in the chalet.
